## Travel

### Six Senses Zil Pasyon, Seychelles

On a 652-acre private tropical island with white-sand beaches, towering boulders, and waterfalls. Thirty villas with private sundecks and infinity pools (above). Spa, yoga, and wellness center with 180-degree ocean views. [sixsenses.com](http://sixsenses.com)

Opening in September after an expansion and rebranding, **Montage Palmetto Bluff** (below) features a resort pool bar and grill and Montage's signature Paintbox children's program. A restored wooden yacht takes guests for wine cruises on the scenic May River. [montagehotels.com](http://montagehotels.com)

### Canopy by Hilton, Reykjavik

Centrally located near eateries, shops, pubs, and the Old Reykjavik Harbour. Bikes provided for exploring. Each of the 112 rooms is whimsically decorated in shades of ocean blue and has a small music box that plays an Icelandic lullaby. [canopy3.hilton.com](http://canopy3.hilton.com)

**Hotel Saint-Marc, Paris** Once the home of the Duke of Choiseul, this building dates to 1791. Now reimagined by Milan-based Dimore Studio, each of the 26 rooms is dramatically decorated in vibrant colors. The wellness center has a pool and steam room. New wine experiences at **Liana Estates**, opening this fall in Sonoma, include garden-to-table workshops, yoga in the vineyard followed by a glass or two of bubbly, harvest dinners under the full moon, and private dinners in the olive grove. [lianaestates.com](http://lianaestates.com)

**Pulitzer, Amsterdam** Twenty-five beautifully restored canal houses furnished with a mix of vintage and designer pieces. Each room is different. Some overlook the Keizersgracht canal, some overlook lush gardens. [pulitzeramsterdam.com](http://pulitzeramsterdam.com)

When the **Andaz Scottsdale Resort & Spa** (201 bungalow-style guestrooms) opens in November (below), the décor will pay homage to notable 1950s artists who got their inspiration (and palette) from the desert. Andaz Salon inspires guests to enjoy a custom blend bar of indigenous oils, tinctures, and herbs. Spiked ice pops at the pool. [scottsdale.andaz.hyatt.com](http://scottsdale.andaz.hyatt.com)

**Scribner's Catskill Lodge, Hunter, New York** Designed by Brooklyn-based Studio Tack, 38 guest rooms with large windows overlooking the Catskill Mountains. In winter, guests ski nearby Hunter Mountain. [scribnerslodge.com](http://scribnerslodge.com)
