Canopy by Hilton recently announced plans for Canopy by Hilton's first property globally in Reykjavik, Iceland.

Canopy Reykjavik City Centre is currently under construction on Hverfisgata Street and expected to open in early 2016. The new 155-guestroom property will feature a rooftop bar and restaurant, and an on-property bistro. Room rates include WiFi, a local artisanal breakfast, and a property-specific gift upon arrival. This property will be managed by **Icelandair Hotels**, a partner of **Hilton Worldwide**. Canopy Reykjavik City Centre will participate in the *Hilton HHonors* program.
