Canopy hotel brand to make debut in Iceland

By *Danny King* / July 01, 2015

The world's first hotel under the Canopy by Hilton lifestyle brand will open in Reykjavik, Iceland, early next year.

The 115-room Canopy Reykjavik City Centre will have a rooftop bar and restaurant. The property will be developed and managed by Icelandair Hotels, which also operates the Hilton Reykjavik Nordica.

Hilton **announced the Canopy brand** last fall.
